A FROSTED  
*Masquerade Affair*

The NCH Ball is the longest-running annual gala in the history of Naples. Every year friends of the health system come together on one special evening to raise meaningful support for critical programs and services.

The proceeds of this Ball will benefit the NCH Women's and Children's programs. For more than six decades, NCH has cradled Collier County's children, mothers, and families in its caring arms. Every year NCH delivers more than 3,600 babies and has become the sanctuary as the county's only pediatric emergency room caring for over 20,000 children annually.

NCH's Neonatal Intensive Care Unit provides lifesaving care for more than 550 babies each year, while our Maternal Fetal Medicine team proactively diagnoses and treats women experiencing high-risk pregnancies. Recently, NCH created a new partnership with the leading children's hospital in Florida, Nicklaus Children's Hospital, which provides our tiniest patients with best-in-class inpatient care.

As the only non-profit health system in Collier County, NCH serves everyone who comes to our facilities for emergency care, regardless of ability to pay. With your philanthropic support, NCH can continue and expand this essential area of care so Collier County families can thrive.
